SIMPLE, GUIDED CARE

OneVeracity Care Navigation

We help you find the right providers, schedule care, and make confident decisions.

With OneVeracity Care Navigation, a dedicated advocate helps you find the right provider, understand your options and schedule care quickly.

What you get

- Help finding top providers
- Guidance to high-quality, lower-cost care
- Answers to your medical questions
- Support choosing the right provider and facility
- Help scheduling appointments
- Second opinions and alternative treatment options

Program benefits

- No cost to you
- Guidance to in-network, high-quality providers
- One-on-one support from a dedicated navigator

How it works

1. **Call or connect**
   Speak with a care navigator at **888-219-5327**
2. **Share your needs**
   Get clear answers and next steps
3. **Get a plan**
   Receive options and ongoing support until your care is complete
